Playhouse Preschool Newsletter

Your monthly newsletter about our school!

October

We are really pleased with how well both our returning children and new starters have settled in.

Nicole has decided not to return to Playhouse following her maternity leave. We would like to thank Nicole for all her hard work and commitment during her time with us, and we wish her and her family all the very best for the future.

We are also very excited to be busy preparing our Caterpillar Room! There is lots of painting and organising taking place as we get the room ready to welcome our youngest children, aged 9-23 months, from November. We can't wait to show you the finished room!

As always, please continue to recommend Playhouse Pre-School to your friends and family. We really appreciate your support and word-of-mouth recommendations.

Reminders

- If your child is going to be absent, please let us know as soon as possible on Eylog.
- Please continue to keep us updated with any changes to contact details or circumstances that may affect your child.

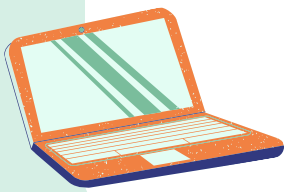

Our Learning

We are continuing with our Super Duper You topic this month.
We will be helping the children to explore what makes them special and unique, while developing their confidence, independence and understanding of themselves and others.
We will be talking about our families, friendships, feelings, bodies, likes and dislikes and celebrating the things that make each of us different.
