

## **Supervision of children on Outings and Visits policy**

### **Statement of intent**

Children benefit from being taken out of the setting to go on visits or trips to local parks or other suitable venues for activities which enhance their learning experiences. Some settings do not have direct access to outdoor provision on their premises and will need to take children out daily. Staff in our setting ensure that there are procedures to keep children safe on outings; all staff and volunteers are aware of and follow the procedures below

### **Procedures**

- Parents sign a general consent on registration for their children to be taken out as a part of the daily activities of the setting.
- This general consent details the venues used for daily activities.
- A risk assessment for each venue is carried out, which is reviewed regularly.
- Parents are always asked to sign specific consent forms before major outings.
- A risk assessment is carried out before an outing takes place.
- All venue risk assessments are made available for parents to see.
- Our adult to child ratio is high, normally halved the legal ratios, depending on their age, sensibility and type of venue as well as how it is to be reached.
- Named children are assigned to individual staff to ensure each child is individually supervised, to ensure no child goes astray, and that there is no unauthorized access to children.
- Staff take a mobile phone on outings (see Safeguarding Policy), and supplies of tissues, wipes, medication, etc as well as a mini first aid pack and water. The amount of equipment will vary and be consistent with the venue and the number of children as well as how long they will be out for.
- A minimum of two staff should accompany children on outings and a minimum of two should remain behind with the rest of the children.

This policy was agreed by the staff of Playhouse Pre-school Broadwater.

Adopted on 24<sup>th</sup> April 2015 and will be reviewed annually.
