

# Playhouse Pre-School Newsletter

May 2024

Dear Parents and Carers,

We would like to send a warm welcome to our new families, we hope you and your children have settled in well. This half term our topic is life cycles. We have caterpillars and tadpoles for the children to observe and duck eggs will be arriving in the next couple of weeks.

## Staff

This term, we are joined by Zoe. Zoe will work within both rooms until the end of the summer term. Please join us in wishing her a warm welcome.

Sadly, Honey has decided not to start an apprenticeship in Early Years. We wish her all the best in her future endeavours.

## Warm Weather

During the summer, we ask that children come to pre-school wearing a high factor, water resistant sun lotion. Children attending a full day, require a bottle to be kept at pre-school for us to reapply after lunch.

Please also avoid open toed sandals to minimise the risk of tripping and shoulders should be covered to avoid sunburn. We provide sun hats for the children to wear outside.

## Named Clothing

Please ensure all of your child's belongings are named so we can ensure they are returned to the right child.

Thank you
