

Playhouse Preschool Newsletter

Your monthly newsletter about our school!

September

A very warm welcome to our September newsletter and to the start of another exciting year at Playhouse!

We are delighted to share that, from 1st September, ownership of the preschool has been taken over by Claire, our previous Deputy Manager. Many of you will already know Claire, and we are so pleased that she will be continuing to be part of our preschool community in this new role.

September is also a very special month for us as we welcome new children and families, reunite with returning children and begin settling into our new routines. We can't wait for the year ahead!

Reminders

- Please ensure all clothing is clearly named
- Please send your child in with a water bottle
- We have a new email address and new bank details. These have been emailed to all families, so please make sure you update your records and use the new details going forward.

Our Learning

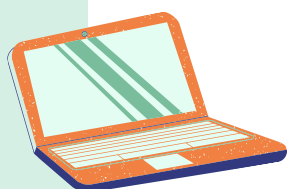

Our topic this month is "Super Duper You!", celebrating everything that makes each child unique and special.

We will be encouraging the children to explore who they are, what makes them special and what they can do. Through play, stories, songs, conversations and creative activities, we will be learning all about ourselves and each other.
